

SGT PEPPER

Pepper needs people like you to help keep the annual summer show and other fundraising activities going.

Everyone can do something to help and whether you can spare an hour a year or a day a week, we'd love to have you on board.

We promise that working with Pepper is fun, rewarding and every penny raised supports the Pepper Nurses who care for children in this area.

There's no obligation to do anything, just let us tell you more. Please fill in the form, hand it in to one of the Pepper crew tonight and we'll contact you in the Autumn. We'll also send you a copy of our next Pepper Newsletter free of charge.

I would like to receive the next edition of Pepper News and find out more about how I might help in future
