Supporting families & children's hospice care at home

Kindness Challenge
SPONSORSHIP FORM

Name: _____ Class: _____

Please sponsor me in my 7 day Kindness Challenge as I raise money for The Pepper Foundation to fund Children's Hospice Care at Home for local children with life-limiting illnesses and their families. Money raised from my challenge will help provide things like specialised nursing care, play sessions & bereavement support. It would mean the world to me and to The Pepper Foundation if you could help me to reach my fundraising goal.

We at Pepper have prepared an easier way to fundraise! Instead of using a paper sponsor form, you can now set up your own fundraiser page at www.pepper.org.uk/pepper-panda-on-tour. You will also be able to track the progress of other students and send your fundraising page to your friends and family. If you choose to use this sponsorship form instead, please return to the school along with your funds raised, once complete.
